

PIC/D-9-61
24 January 1961

MEMORANDUM FOR: SAFMS
Attn: Major Clifton E. James
Room 4C335
Pentagon

SUBJECT: Sub-System I Demonstration

1. We understand that tests are planned to be made on the Sub-System I for the Samos Program in March 1961 at [redacted]

25X1

25X1

2. CIA/PIC is definitely interested in observing the demonstration of the results of these tests. When your plans for this demonstration are made firm, we would appreciate being notified of the exact time and place, security clearances required, etc., so that we can then certify to you the names and clearances of several of our people whom we would like to have attend.

25X1

[redacted]
